

MESSINES BEE FARM

NORTHAM, WA

MENTORING SERVICES 1 ON 1 WITH A BEEKEEPER

Messines Bee Farm is a local bee keeping family, we sell honey products, relocate swarms, provide mentoring services and run educational workshops.

We love sharing our knowledge of bees with people young and old and are passionate in educating people about the importance of bees, their role for our planet, the plight they are facing and what we can do to help. 🐝

If you're interested in keeping your own bees, wanting to hone your bee keeping skills, or increase your confidence our 1.5 hour personalised mentoring sessions may be just what you are after.

Tony will meet with you at your hive location *

Possible mentoring topics:

(customisable to your needs)

- Bee keeping skills
- Hive set up and inspection
- Common pests and diseases
- Seasonal bee keeping
- Hive splitting, re-queening & swarm prevention
- Winterising your hive
- Supplementary feeding and nutrition
- Honey extractions
- Maintenance & problem solving

A little bit about us:

Tony is our head beekeeper and comes from a family of beekeepers! Both of his Grandfathers were also beekeepers, back in the days when the only protection you wore was a veil! Tony has inherited their pioneering spirit and love of bees. He runs our 100 hives, providing mentoring and educational programs for the community. 🐝
